

Leasys at Fleet Europe Summit 2024

- Leasys participates to the Fleet Europe Summit, the leading international conference for Fleet and Mobility Leaders with a booth to welcome customers and partners, that features the visual elements of the recent network rebranding.
- During the event, Leasys Group CEO, Rolando D'Arco will join top executives from Europe's most important leasing companies in the Executive Panel Discussion "Sustainable Mobility in the Digital Age" to explore key aspects of mobility.
- Laura Martini, Chief Marketing Officer at Leasys, will attend the Inspiring Women in Fleet breakfast as a speaker, to discuss female leadership in the mobility industry.

Leasys, the joint venture between Stellantis and Crédit Agricole Personal Finance & Mobility, confirms its participation to the **Fleet Europe Summit 2024**, the annual rendez-vous dedicated to the Fleet & Mobility industry promoted by Nexus Communication, that will take place **on October 23rd and 24th at the Allianz MiCo Congress Center in Milan, Italy**. This long-awaited appointment gathers an international array of corporate Fleet & Mobility players, which will include mobility and fleet specialists, HR executives, automotive suppliers, start-ups, and purchase managers.

Leasys is proud to attend the 24th Fleet Europe with a stand designed to reflect the visual identity of the Leasys Stores, the newly launched branding for the network's points of sale. This location represents the perfect setting for international fleet managers to discover Leasys' wide range of products and tailored services, as well as the brand new e-commerce "Leasys e-store" for a fully digital customer experience.

On October 24th **Leasys Group CEO, Rolando D'Arco will participate to the Executive Panel Debate "Sustainable Mobility in the Digital Age"**, where C-level executives from leading European leasing companies will share the stage for an informative discussion, on various aspects of mobility such as fleet performance, market dynamics, sustainability and technology.

Furthermore, **Laura Martini, Leasys CMO, will attend the Inspiring Women in Fleet breakfast as a speaker for a panel discussion entitled "Women Driving Mobility into the Digital Future"**.

The debate will be an occasion to share challenges and success stories, highlighting the unique perspectives female leaders bring to the fleet world.

With more than twenty years' experience in the sector, Leasys is the ideal partner for companies opting for medium and long-term rentals, as well as for those who, while retaining ownership of their fleet, wish to rationalize and delegate operational management with the guarantee of predefined and fixed costs. Leasys has always been at the side of fleet managers with a consultative approach, offering flexible solutions that consider the rapid evolution of companies' needs and promote the transition to sustainable mobility.
